2017 Blessings at New Life Resource

Through God's grace we are now in our 36th year of operation here in La Crosse. Our location at Mt. Calvary Lutheran Church has been very beneficial for our ministry. We continue to receive approximately 350 calls a year for help and have had 270 center client visits to our location in 2017. The majority of the women that come seeking help, are single mothers who have very little support. **Being able to help them provide for their children's physical needs as well as spiritual needs is a true blessing.** Using the many blessings God has given us is the bridge that we use to connect with those in need.

Thank you for supporting our ministry.
