

Dear CAMM Supporters,

Happy Epiphany to all of you and Happy 2019 as well!! God continues to bless us with another year of His grace in which we have the joy and privilege to be involved in the work of the Central African Medical Mission (CAMM). As during Epiphany, our God reveals to us the gift of His Son and His plan for our salvation thru Jesus, this first communication of 2019 from CAMM will reveal some news both from the field in the letter sent from Gary Evans, Malawi Lutheran Clinic Administrator and also the CAMM Stateside Committee. We pray these communications on behalf of CAMM are able to be shared with WELS members and congregation across our synod for praise to our God for His faithfulness and goodness and for support and prayers in proclaiming the Gospel and helping with the needs of the people we serve in Malawi and Zambia.

With regard to CAMM projects, pill bottles that have been on hold for the last few months, can now be sent or collected for sending. One blessing involved with the pill bottles is that the Zambia Lutheran Mission Rural Health Center has now asked for some to be sent to them as well. Please feel free to send to either mission or if there are any questions, please contact me. If I am aware of when and where shipments are sent, I am more than happy to watch for them and let you know when they arrive. Instruction/information sheets detailing the project can be sent to you. There are other sewing projects available for those interested and I can provide the details on them.

CAMM has been richly blessed with support for our ambulance needs and this is, Lord willing, an ongoing project for which donations are always welcomed. Having been a passenger for a week in one of the ambulances, they do sustain rough work in just the normal routine of each day. I was hesitant to refer to many of the paths we drove on as "roads". More will follow on our CAMM Facebook page ([www.facebook.com/camm.wels](http://www.facebook.com/camm.wels)) and our website, [www.camm.us](http://www.camm.us). To God be the praise for this exciting news.

One last item is regarding a Medical Mission PR tour of Malawi planned for interested supporters and travelers. Questions can be directed to Angela Sievert, Public Relations Coordinator at [public.relations.camm@gmail.com](mailto:public.relations.camm@gmail.com). What a fabulous opportunity for those who have always been interested in seeing CAMM up close!

Thank you to all our supporters and Contact Women (CW) for your service, gifts, love and prayers for CAMM. Please continue to remember all our staff in Malawi and Zambia as they carry out this work each day for our Lord. To God be the praise for the gift of His Son whose love is our motivation--We love because He first loved us!

In Christ's service,

Cheryl Valus  
CAMM Contact Woman (CW) Coordinator
