

CENTRAL AFRICA MEDICAL MISSION

Sewers wanted for making hospital pads.

CAMM is asking for patient pads for their mobile clinic and you can help! Following are the directions for making these pads to CAMM specifications. These pads will be sterilized after each use. Please only use the materials listed.

Materials: Used white cotton, muslin or percale. Second hand bed sheets work well – King Size produces 4 of the finished size.

Supplies needed: Rotary cutter, cutting mat, sewing machine

DIRECTIONS:

1. Cut at 49" square from your fabric
2. Press 1/2" seam on all sides
3. Fold piece in half; and then fold in half again
(*folding is necessary to create absorbent layers*)
4. Piece should now measure 24" square
5. Stitch all outside edges at 1/4" seam
6. Stitch diagonally across pad to hold all layers in place

This making mission opportunity will continue until early June. If you have questions, please contact Arlene Schroeder (780-2476). You may also contact her for supplies. There are plenty of bed sheets available from Arlene for your use.

A sample of the finished pad is available in the narthex (check the slat wall).

Lutheran Women's Mission Society

The Scenic Coulee Circuit (that's us) has been assigned the following missions for 2019-2020.

➤ **World: Mexico (LWMS Mission name – 1LA)**

Joel Sutton
Priv Pena Grande Casa #17
Col Carrizo
Guanajuato, GTO 36030
MEXICO

More information can be found at academiacrsto.com

➤ **Home: Bethany Evangelical Lutheran Church**

Pastor Philip Hunter
829 Appleton Road
Menasha, WI 54952

More information can be found at bethelmenasha.org

Mission families enjoy receiving encouraging letters, birthday greetings, anniversary cards, gift cards, and other sentiments. Information sheets detailing specific needs, prayers, family info, birth date info and etc can be found at the Tracts Board.
