

22 FEB 2019

Brothers,

Since 2016, the Lutheran Military Support Group has dedicated itself to begin a regular program offered to WELS members who have post traumatic stress in the form of a Spiritual R&R. The second such retreat will be

**May 3-5 2019
Camp Phillip, Wautoma, Wisconsin**

Along with this email, you will find publicity materials that you can print; posters to hang around your facilities, the bifold information brochure with details on the retreat, and a bulletin insert that you can distribute. If you need other forms of these (JPEG for email, social media, etc) please email me and I will supply those.

This retreat is for the veteran only (not for the family) and is open to both male and female veterans as Camp Phillip has lodging for both.

There is NO COST for this retreat. All food and materials will be provided. The retreat will begin with participants arrival on Friday evening and the main retreat day is Saturday. Worship will be provided on Sunday morning at Camp Phillip.

Travel assistance will also be available. While we expect most to be coming from Wisconsin and other points of the Midwest, we did have participants travel from as far as Florida.

I hope that in the past couple of week you thought about and identified potential candidates. Please follow up with them directly.

Please contact me with any questions.

God bless all of you,
