Reopening Plans for Luther High School

The Conference of Delegates approved the Board of Control reopening plan on Tuesday, August 4th. Your Luther High School will begin the school year with 100% of the students attending classes four days a week. Wednesdays will be a virtual learning day for all of the students. Families and students who do not feel comfortable returning to school 100% of the time will have the option to learn in a virtual setting. We are making efforts to make virtual learning as synchronous as possible so virtual students can join their classmates virtually in real-time.
