Chapter 7 brings to a close the vision of the seals (chapters 5-7). As each seal is opened, the New Testament history of the Church is pictured, culminating in the glorious victory on Judgment Day. These verses allow us to stand in that glory!

When were your robes washed?

What is the “great tribulation?”

Verses 16-17 offer amazing comfort, especially when facing death!

God spreads his tent! When else did God “tent” among us?

The Lamb is the Shepherd!

No more sin!

Do you recognize any faces in the “great multitude?”
