Koine is a Christian band from the Milwaukee, Wisconsin, area. Koine combines century-old hymns with a modern accompaniment. Imagine a 1200 year old text and a 600 year old melody revived on a piano, drums, and electric bass. With their arrangements, Koine strives to find a unique balance between the familiarity of the classic hymn melodies and the raw instrumentation of the new arrangements. Originally formed in 2003 as a worship band, Koine quickly began to gain a grassroots following as requests for appearances and sales of their first album, Koine (Self-Titled) started to roll in. Much of their music has a welcome home in traditional worship, but with a modern sound that anyone can identify with. For more information about Koine and its ministry visit www.koinemusic.com or become a friend of Koine on Facebook

Greetings from St. John's in Lewiston, MN! Registration for **Flourish 2022** is now open! A flier is on the Bulletin table in the narthex. At Flourish 2021, we had over 70 women from 20 congregations gather in Lewiston for a day of encouragement in their faith and connecting with other women. The theme of Flourish 2022 is "By Design." We will be looking at our identity in Christ, our unique design as women, and how we can use our God given temperaments and giftings to serve others. We look forward to gathering together for a day of encouragement in God's Word! There is a sign-up in the Narthex for those interested in carpooling.
