At our October 13, 2022 meeting our OWLS group voted to not meet during November 2022 through March 2023 and start meeting again in April 2023. This was decided due to Winter weather conditions and the safety of our members. We will send out notices in February and March to notify everyone of our upcoming meetings. We wish everyone a nice cozy Winter with good health and get togethers with friends and family.

Let's Go! Let's *love* those God has placed around us. Let's *listen* to them as they express their fears and thoughts. Let's *lead* them to Jesus as the answer to all their questions! Here are the details: Time: 6:00 -7:00 pm | Place: Multi-purpose room | Dates: Wednesdays in October and November | **November 2: Listen, part 3** | November 9: Lead, part 1 | November 16: Lead, part 2

Science Donations If you would like to help out our science program, please check by the ushers' counter for a three-ring binder to see what kind of items or volunteering of time would be greatly appreciated. The items range from plants you may have around your yard or house to balloons to an invertebrate specimen kit. The items are listed with a quantity, brief description, and a date needed. Please feel free to reach out to Mrs. Amber Frelitz with any questions or to let her know of any items you would like to donate. Mrs. Lisa Black in the school office will also have access to the list and can add your name as a contact for a particular item. Thank you for considering helping with these great opportunities for our students.
